

Proven Solutions for Cost Containment

## **LORI DAUGHERTY NAMED TO *BUSINESS INSURANCE'S* 2011 "WOMEN TO WATCH" LIST**

**Tampa, FL (December 6, 2011)** – PMSI, one of the nation's largest and most experienced companies focused on workers' compensation, announced today that Lori Daugherty, President of Pharmacy, has been named to the 2011 Women to Watch list by *Business Insurance* magazine.

Daugherty is among a group of 25 high-profile women executives who are in leadership roles at the forefront of insurance, risk management and employee benefits worldwide. *Business Insurance* editors assessed hundreds of nominations based on: recent professional achievements, influence on the marketplace and contributions to the advancement of women in business.

"It really is an honor to be recognized as an insurance industry leader, along with so many other highly respected women who are making valuable contributions to the industry," said Daugherty. "I have spent over 20 years in the workers' compensation industry and continue to be fascinated by the innovative business strategies offered. I am proud to lead the Pharmacy efforts for PMSI."

Daugherty drives innovative solutions to help PMSI maintain its reputation as one of the industry's largest Pharmacy Benefit Management (PBM) operations and a true leader in pharmacy services. Under her guidance, PMSI's Pharmacy Division drives PBM retail and mail order services for its clients. She has played a critical role in revolutionizing

this program into what it is today—a clinically based, industry-specific program, integrating cost containment with outcomes management from the point of injury.

Over the past two decades, Daugherty has spent considerable time leading multi-million dollar healthcare management organizations. She is often referred to as an industry pioneer of PBM operations because of her dedicated efforts in the marketplace.

Daugherty and the other Women to Watch are featured in the December 7 *Business Insurance* report and received their awards today in New York City.

**About PMSI:**

Founded in 1976, PMSI is a leader in developing solutions to control the growth of medical costs in workers' compensation. As one of the nation's largest and most experienced companies focused solely on workers' compensation, PMSI delivers proven solutions for cost containment across the claims lifecycle. PMSI's solutions for Pharmacy, Medical Services and Equipment, and Settlement Solutions deliver quantifiable results and improve the quality of care for injured workers. PMSI provides customers with the innovation, focus, expertise, analytics and technology needed to successfully deliver workers' compensation benefits.
