PMSI LAUNCHES AN ENHANCED PMSIONLINE.COM

Improved Website Offers Industry-Leading Functionality and Navigation

Tampa, Florida (November 24, 2009) – PMSI, one of the nation’s largest providers of specialty products and services for the workers’ compensation market, announced today that it is relaunching its website, www.pmsionline.com, to better serve clients and injured workers. In addition to a new look and feel, the website offers streamlined navigation, expanded company and industry information, and enhanced access to PMSI’s innovative service offerings.

“The new pmsionline.com reflects how PMSI delivers innovation to its customers and injured workers,” commented Jay Krueger, Chief Strategy Officer. “Our industry renowned thought leadership and technology-enabled solutions are easily accessed through the new site.”

Key features of the new website include:

- **State-of-the-art navigation capabilities** – Links on each page include contact and referral buttons as well as dedicated sections for each of PMSI’s three lines of business.
- **Industry-leading technology tools** – Links on the home page connect visitors to PMSI’s proprietary tools including VitalPoint™, one of the most broadly adopted real-time claims management tools in workers’ compensation, and the industry’s first tool for estimating the pharmacy portion of Medicare Set-Aside allocations—the Drug VALUE Tool.
- **Expanded pharmacy resource center** – A dedicated pharmacy resource center contains enhanced retail and mail order pharmacy information and resources including Ask a Pharmacist and Pharmacy Locator functionality.
- **Credible and reliable industry news and insight** – Quick access to PMSI’s industry-renowned thought leadership as well as industry news and government affairs updates.

“The website was designed as a ‘destination point’ for customers and injured workers to access PMSI’s products and solutions,” commented Shelia Chapman, Executive Director, Marketing. “Our customers have told us they want to quickly and easily access our tools and resources and learn about the latest industry news and events. The newly designed site meets all of these customer-focused requirements.”

About PMSI:
